On 11/23/2021 received a call from Brian Barnett @ 0806 regarding an issue with an employee. Brian had received a call prior from Inspector (b) (7)(C) with FPS regarding Kevin Gladney. Kevin was working on 13th guard shack rooftop heating unit. Kevin stopped Inspector (b) (7)(C) and mentioned in passing that he needed to talk about HR issues with Urban Services. (waiting for more information from FPS on this issue) Kevin also had talked extensively to the PSO on duty in the guard shack about problems with his employer, Urban Services. I Jonny Munch called Denese Evans @0809 and left a message to have Chuck call me back. Because it was a very busy day the field office did not get the chance to talk about the issue. On 11/24/2021 the employee started talking to security staff again about issues with his employer.

Thank ,

Jonny
